

PBS Exposure Management Plan

School COVID-19 Compliance Task Force

All Staff enforce all COVID-19 safety protocols and Principal will collaborate with Department of Public Health (DPH)

Managing Exposure to 1-2 COVID-19 Cases at School

1. School notified of 1 confirmed case at school

2. Case on Home Isolation for 10 days and 24 hours w/o fever (no med.) and symptoms improve

3. Advise case to get tested and that DPH will contact

4. Identify close contacts at school

5. School consults with DPH and ADLA

6. School notifies close contacts of school exposure & DPH may contact anyone exposed

7. Individuals exposed will be on distance learning for 10 days. School community notified of case.

Managing Exposure to 3+ COVID-19 Cases at School

1. If cluster of ≥ 3 cases within 14 days, school notifies DPH and ADLA

2. Follow steps 2-7 for confirmed case.

3. School may close for 14 days and for cleaning. School community notified.

4. DPH investigates if outbreak criteria met & works with school

5. School provides updates to DPH and ADLA until outbreak resolved.

If symptoms of COVID-19 illness occur at school

- Student will wait in isolation area with supervision
- Student given a surgical mask, if available, to wear (if tolerated)
- Arrangements made for parent to pick up student immediately

- School advise parent to contact health care provider and get tested for COVID-19
- School provide information to parent on instruction for isolation and testing for COVID-19
